PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Dear Sir:

In response to the Notice of Abandonment mailed on April 5, 2007 regarding the above-captioned patent application, the applicant respectfully petitions to withdraw the holding of abandonment because applicant contends that a proper response was made to an Office Action mailed July 31, 2006.

STATEMENT

In the present application, Office Action was mailed July 31, 2007. In response to this Office Action, the undersigned attorney, filed an Amendment by Facsimile Transmission on December 31, 2006 as attached. An Auto Facsimile Transmission Reply was received on December 31, 2006 as acknowledgement of this transmission. The entry of this Amendment was to be made by normal procedures at the Patent Office.

Atty. Docket No.: BP 2517

10/623,992

A Notice of Abandonment in this Application was mailed April 5, 2007, for reason of "Applicant's failure to timely file a proper reply to the Office letter mailed on 31 July 2006." The undersigned attorney has reviewed PAIR. Because PAIR indicates that no letter was received in this Application on 31 December 2006, the undersigned attorney presumes that the Application is Abandoned for a PRESUMED failure of Applicants to respond to the Office Action mailed 31 July 2006.

Applicants' attorney (the undersigned) respectfully points out that he did respond to the Office Action mailed July 31, 2006 and that the Office failed to make appropriate entry of the Election in the record.

Because the present Application went abandoned through no fault of the Applicants, the Applicants believe that the statement and showing above are sufficient to support the withdrawal of the abandonment of the present applicant and respectfully petitions that such abandonment be withdrawn.
